Our Mission is:

- To Know Jesus Christ as Savior and Lord,
- To Grow in faith through His Sacraments and Word, and
- To Go share His Gospel with love in our community and world.

"Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have" (1 Peter 3:15). *"Whoever acknowledges me before men, I will also acknowledge him before my Father in heaven"* (Matthew 10:32). Confirmation Sunday is a very special occasion when we publicly profess our faith before others as we explain the reason for the hope which we have. This year at St. Paul we will hold the Rite of Confirmation during the 11:00 a.m. service on May 3. The Rite of Confirmation not only is a time to make a pledge to God, but also a time to remember God's pledges to us, including Jesus' promise at His ascension: "Surely I am with you always, to the very end of the world" (Matthew 28:20). We can remember that in our times of trouble in life, we can always call on Jesus Christ! Our confirmation class consists of five students this year: Kaitlyn Cook, Ben Gebhart, Alex Highby, Jordan Vetter, and Kaitlin Wegner. As is our custom, during the 11:00 service the confirmands will each share a personal faith statement, explaining the important role that Jesus plays in their lives. Please pray for our 8th graders as they are confirmed and publicly acknowledge Jesus Christ.

A Sneak Peek at Coming Attractions

Last summer the sermon series by pastor was on the 12 disciples. People learned a great deal about these men that were used by God in amazing ways. This summer, we turn our attention to the women, with a special sermon series on some of the memorable women in the Bible. With a mix of some from the Old Testament and some from the New, you will gain deeper insight into how God has used the women who served Him.

Fall Festival– NOW IS SEPTEBERFEST

September 18,19,20

Get ready for a busy weekend!! We will have the tent and use it from Friday night to Sunday afternoon. We are celebrating our FAITH with worship, fun and fellowship and want to include all our members and our community. We will need everyone to help make it a special weekend by helping with the events and participating in them also.

The planning committee has been working on some ideas and some of them are: movies and food in the tent on Friday evening, a full day on Saturday with yoga, pancake breakfast and a fun afternoon. Some things we have talked about are inflatables for the kids, games for all, craft show and a brat supper with trunk tailgate party with all the fixings. Then top the evening off with a concert by "Higher Power". (inside the church)

Sunday will be church inside and then in the tent with a catered dinner at noon.

Doesn't this sound like fun?? It is all in the planning stage and we will need help as this is an all congregation event. This is only a tentative plan subject to change.

We have other ideas also and if you have some ideas, please pass them on to the committee members: Karen Griffin and Lori Jenks, Kevin Dougan, Pat Thiede, Ron Coy and Nick Schieffer.

Stewardship News

God is very great. He outshines the power and glory of the stars He created. Yet God is also very close to each individual person. He loves each person as if he or she were the only person He created. More splendid than a sea of stars, God's love streams from the cross where Jesus Christ died, from the tomb that could not contain Him, and from the Day of Pentecost when He gave a special measure of the Holy Spirit to the members of His church.

God in Christ cares about our physical as well as spiritual needs. The material blessings He gives are always meant to benefit our spiritual welfare. Consider God's care over our lives in the words of Christ recorded in Matthew 6:25-27.

"Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more important than food, and the body more important than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Who of you by worrying can add a single hour to his life?"

Thank you.

God's Blessings, Dennis Dobberke

Human Care News

April is Good Neighbor Awareness Month: “Who has Good Neighbor helped?”

The headlines in the news tell the numbers about poverty, but those numbers represent real people. Even when the economy is deemed stable, a family of three in Story County requires an income of more than \$15 per hour to meet its basic needs for food, housing and utilities. For these families, an unexpected medical bill or car repair can force them to choose between paying for food or rent. During these difficult economic times, many people have lost jobs, or experienced pay cuts and furloughs.

The number of families needing assistance, especially for the first time, continues to rise. In the past fiscal year, Good Neighbor provided rental and/or utility assistance to 345 households, representing 928 individuals that received help to remain in their homes with needed utility services. Over 73% of these individuals and families had incomes that were at or below 100% of the poverty level. These households were located in every community throughout Story County, with over one third residing outside of Ames.

In an effort to determine the long term impact of the services being provided, Good Neighbor conducts follow up surveys with landlords, property managers and utility providers. Surveys are conducted a minimum of nine months after rent/utility assistance has been provided by Good Neighbor. For the first nine months of the last fiscal year, the survey results are:

76% of those receiving rental assistance were either still in their homes or had moved in good standing with the landlord.

87% of those receiving utility assistance still had active accounts or had closed the account without leaving an outstanding balance.

You may place your check in the offering plate as long as it is marked “Bethesda Food Pantry.”

Easter Breakfast Thanks - to borrow a phrase from Coach Rhoads, "I'm so proud to be" a part of the St. Paul family. Thanks to everyone who attended our Easter Breakfast and donated money toward the 2016 Youth trip and To everyone who volunteered their time and talents to make it all happen, "I am so proud" of your efforts - from the people who donated the coffee creamer, to the youth who served, and to those who rolled up their sleeves and did all the dishes, as one volunteer said "this is a lot of work!" I want to thank you ALL for making the work "fun". THANK YOU!!! Ellen

Murder Mystery Dinner....the lights went out, a shot was fired, a dead body lay on the floor.....who did it?

The St. Paul Players once again provided the clues and chuckles that helped solve the murder, while providing an entertaining evening. Chuck Wagon Chef, Duane Faas, provided a mouth waterin', finger lickin' good dinner, served up by our youthful saloon servers. Applause, applause to you all for making it an evening to remember.
