## A Letter from your Pastor

### Confirmation Sunday

*"Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have" (1 Peter 3:15). "Whoever acknowledges me before men, I will also acknowledge him before my Father in heaven" (Matthew 10:32).* Confirmation Sunday is a very special occasion when we publicly profess our faith before others as we explain the reason for the hope which we have.

This year at St. Paul we will hold the Rite of Confirmation during the 11:00 a.m. service on May 6. Our 8<sup>th</sup> grade confirmation group consists of three students this year: Emma Buttery, Tate Ploessl and Madison Weber. As is our custom, during the 11:00 service each confirmand will share a personal faith statement, explaining the important role that Jesus plays in his or her life. Please pray for our 3 youth as they are confirmed and publicly acknowledge Jesus.

In the past, in some congregations, the pastor would be the one who would select the special confirmation passage for each confirmand. My tradition has always been to allow the confirmands to select their own Bible passages, as this will ensure the passages are ones that the confirmands personally find meaningful. Come hear the specific verses chosen by our confirmands to guide them in their faith!

In Jesus,

Pastor Jenks

### CHRISTMAS IN JULY

The board will sponsor a Christmas in July event Saturday, July 21. There will be games and gifts for children and other surprises.

Many of these children receive many gifts at Christmas and we want to remember them with new things in the summer, too. This is also a perfect time to get them interested in Vacation Bible School and get them registered.

We need your help--there needs to be summer time gifts and treats. We need donations of Frisbees, tennis balls, outdoor games, swimming items or anything kids like to play with in the summer time. Flip flops of all sizes will be good also.

We will be telling you more about this but we need to start collecting gifts now. There will be a bin for these items.

#### Church Photo Directory

#### Family Photo Directory— October 2018\*

Lifetouch will take photos of members and provide each family with a directory. There will be no charge to us and everyone who has a photo taken will receive an 8 X 10 photo and have an opportunity to purchase more.

\*October 3-6, 2018. Watch for sign-up sheets.

**The Board Of Evangelism says "Thank You"** to everyone who signed up for the Mission trip to Camp Okoboji. You have helped make it another success. I for one am already looking forward to the next year. Once again Thank You!  
Charles Ellis, Board of Evangelism Chair

Also, thank you to those who helped make our Lenten meal a success. We raised over \$600 to help our youth attend Camp Okoboji this summer. Pictures of the Lenten meal included.

### *Thriving, Not Just Surviving!*

Too many times in our personal lives we do what we need to in order to survive. When times are not the greatest we cut back, we adapt to the surroundings and make the best with what we have. I remember this all too well when I was young and then again in the early years of our marriage. In our spiritual lives we sometimes do the same, we do what we know will help us survive in this culture as a Christian. We try not to make too many ripples or waves in the water, while taking a beating from the other side trying to destroy our faith. In essence, over the years Christians are learning what Daniel was going through.

Some of my internship cohorts and I have been working on a book by author Larry Osborne titled, "Thriving in Babylon: Why Hope, Humility, and Wisdom Matter in a Godless Culture." The author takes the story of Daniel to help us thrive in an increasingly godless culture. This past week we read about "False Hope," and how we continue to forget that God has a plan and He will come through for us, as long as we wait. All too often we, as a society of fast food and faster gadgets, want immediate results and are looking for a plan B or sometimes a plan C. When all along we just need Plan A: God's plan!

Within this chapter the author spoke about the high octane, high-visibility ministries and programs that inundate our culture, and the ones drawn to those ministries in groves only to find a false hope when they get there, and we need to keep our path as the "local church" to do God's Ministry. Larry Osborne states, "Admittedly, the local church is anything but sexy. It has a lot of problems. It often puts cherished traditions above its God-given mission." Traditions have a place in most of the church, and in most there are times to change. Traditions help us survive, changes backed by our faith help us thrive. He continues, "But despite all that, the church in all of its local manifestations is the one thing Jesus said he would build and sustain." Our church, our congregation is God's Plan A for us.

Traditions of the local church help take the first step in raising men and women with a Daniel-like hope and courage. But scripturally sound, faith-based changes, made in order to reach a younger generation and unbelievers are important for our church to thrive in today's culture. They help us to understand more, think deeper, speak softer, and defend our faith better. Over the next few months to a year there may be small changes that come before us, let's not be afraid, let's not cower, let's lift each other up, let's take a step forward together, let's embrace a change that could help our congregation thrive in God's will. Let's Thrive, not just Survive!

## Education and Youth

### "Youth got stuck on Christ at Sticky Faith Lock-in!"

On April 6-7 we had 15 youth in grades 5-8 participate in a fun filled and faith based lock-in. Of the 15, 7 were boys, 8 were girls. 2 were from Ascension, 2 from Memorial and 1 from Cornerstone. The other 10 were from St. Paul.

Thomas Wilson and the Board of Youth provided hours of games, Bible studies and activities that focused on how important it is to stick to Christ and our faith. Many games and activities used duct tape or post-it's to help get the messages across while having fun! Just look at some of the photos!

## Education and Youth

**Confirmand Reception-** Please join the Bd. of Ed on May 6th to celebrate and recognize our Confirmands with a reception before adult Bible study. There will be a short presentation and cake before pictures are taken.

**Graduation recognition is May 20th.** Graduates will be presented their quilts and we will have a reception following the 8:30 service.

**Sunday School teacher needed.** Please consider this very important job. You do not need any prior experience, just the willingness to share God's love with our youth. Please talk to Cindy Baas or Brenda Dryer if interested.

### Board of Education Sets Workshops!

During their April meeting the Board of Education at St. Paul has set two "Education Workshops" in response to the declining number of available Sunday School and Midweek teachers.

Responses to the Board when recruiting new teachers would range from, "I'm not a teacher", "I don't know how to teach", and "I don't have time to teach year round." The Board is looking for full-time Sunday School teachers, Assistants for Sunday School, and for Sunday School and Midweek Substitute Teachers.

The workshops, being held Sunday, June 10th and Sunday, June 24th from 9:45 - 10:45 AM in the board room will cover the topics of what it takes to teach Sunday School or Midweek, how much time is committed, and looking over curriculum and resources to get interested individuals acquainted with the materials, and to answer any questions that they may have. All of this to be able to help those go from "I can't do it," to "I can do it!"

If interested in attending, or have questions, please contact Cindy Baas or Thomas Wilson.

### LWML National 2017–2019 Mission Grant #7 — \$100,000 NOLA 4H: Hearts for the Hungry, Homeless, and Hurting -Christian Families United for Progress

Hurricane Katrina was the largest residential disaster in United States history. Twelve years later there is no more federal aid, and many inner-city communities are still hurting. New Orleans has the third highest homeless rate in the nation with 1,700 homeless persons every night, much of this due to the hurricane and loss of homes. Entire neighborhoods were wiped out. Many residents lost friends and family and still suffer from loneliness and depression. Six inner-city LCMS churches, their pastors, leaders, and members have come together to serve Christ by serving their neighbors and

providing food and shelter. The

NOLA 4H churches work closely with other organizations to support various outreach ministries such as food banks, clothing, toiletries, Bibles, prayer books, counseling, and clinics. Funds will go towards these ministries and equipping each of the fellowship halls in the six churches to serve more people.

**WOMEN IN MISSION PLANT SALE** “For everything there is a season....a time to plant...and a time to pluck up that which is planted.” Ecclesiastes 3:1a-2b. I wonder how many times this verse has been used to refer to springtime...planting time...? By ordering wonderful Holub Garden plants from the Women's plant sale, YOU will be helping to plant new missions (e.g. In Israel) and grow others in the LCMS. The Lutheran Women in Mission is the major contributor to our synods mission goals. Order soon by MAY 4<sup>TH</sup>! Plants arrive for pickup May 12 and 13. My plants from Holubs stayed healthy and vibrant all summer (I do not have a green thumb). My geraniums are the best and overwintered in my garage, ready to grow again this year. Bring your order form to church or email me, Gretchen Zitterich at [gzitterich@gmail.com](mailto:gzitterich@gmail.com) or call 515-201-7570. Proceeds help our mission efforts and offerings at the 2019 LWML convention.

**Thank you to everyone** who planned, helped with and attended the LWML Boone Zone Spring Rally and luncheon with such an inspiring message from Nancy Cohen from “Apple of His Eye Ministry”. We were reminded of the importance of the support we Lutheran Women provide for mission work in the LCMS. Your mites have funded many mission endeavors. One of these being the LCMS's first entry into Israel. Your mites provided \$100,000 to support Rev. Bob Roegner and Steve and Nancy Cohen of Apple of His Eye Mission Society to bring Jeshua the Messiah to the Israelis. Nancy's inspiring message at the well-attended luncheon reminds us to ask “What do you think of Jesus?” and Romans 1:16 “I am NOT ashamed of the gospel of Christ! It is the power of salvation to all who believe, to the Jew first and also to the Gentile.” Please pray for Steve and Nancy and their early May trip to Israel to do more groundwork. Please pray for open doors and success. See
